MADRID, November 20.—An immense
and enthusiastic demonstration was
made in Sarage sas yesterday in favor of
a Rapublic. A meeting was held and Supreme Court, and is spaken of by those who knew him as possessing a clear, legical mind, accurately legal, and that his decisions were always marked by clearness, precision and justice. His remains were conveyed to the grave yesterday, followed by a majority of the ware entitled to, and must contain the first spakes of the importance of manufactures, as certainly as night follows day. To this monarch for her tributes, and from the effice of the Eric Company, but there is great reticence as to whether they or the newly appointed Receiver, ex-Judge Davis, is running the road. Several deputy sheriffs were at the building this afternoon, but no one seemed able to soterday, followed by a mejority of the

exalted. The old Latin maxim, one of the truest and noblest apothegms of philosophy and the great central principle of political economy is, in its whitest struggle may be made to retain Gould as sense, applicable to her condition and prospects—"labor omnia vincit." red-eming its pledges in this regard, the prospects-"labor omnia vincit." Ledger has abandoned the pursuit of the "School Fund" and turned its attention in another direction. It is easons for this course are best known to itself. We will not occupy our space with even asked is on this point. It is enough to say that inquiry after the missing "School Fund" has been abandoned by our neighbor, and our attention called to a fund of \$52,000. We made inquiry touching this fund, of a respectable law firm of this city, who have charge of it, and investigated the records of the Courts and found that it records of the Courts and found the found that it records of the Courts and fou records of the Courts and found that it had no connection whatever with the this money (\$52,000) were responded to prosperity other States will find it im- of the operators for a decline, to cover by the gentlemen of that firm cheerfully, possible to rival. as similar inquiry by the Ledger or any would have been. A full exhibit was night, and a complete detail given of the other paper, if made with usual courtesy, transaction, from which it was apparent that the State authorities did the very best they could under the circumstances, and, as fully as they could, protected the State in the transaction. Of course, when these bills were taken, it was necessary they should be collected. They were consequently put in the hands of the firm al- gross, in which one negro was killed and luded to, who are now pressing the collections by suit and otherwise.

Now, in response to this, the only an- a church. swer the Ledger makes is in intendoes against this firm, a species of attack we dislike, and in this instance we think naval force should be sent to Paraguay uniprovoked. If the Ledger knows anything wrong in regard to this \$52 000, or
the gentlessen who have the collection of
the process for such injuries as may have been already inflicted.

laws for such the should be sent to reason.

Ann Hines, the head cook at Campbell's, has been arrested as one of the principals in the affray. it, see hope that journal will come out squarely, give the public their names and the facts as it believes them. We do not propose to become a party to a personal controversy between the Ledger and the members of that firm, nor do we desire that they shall be "struck at over our the to-day and adjourned official voic was the vote returned to the clear sides 18%c. I and dell' shoulders 12%c; clear rio is office of the Secretary of State.
